

ERIK PROENÇA

Full Stack Developer erik@erikproenca.me +55 11 9 8616-5932

PROFILE:

I am a mathematician, husband and father. I worked as a teacher for 14 years and in 2020 I made the decision to switch to the programming area, which has always been a great passion of mine. Currently I work as a Full Stack developer and also as a programming instructor. I work with several tools, including MuleSoft, React, FastAPI, Dynamics 365. I love solving challenges and puzzles.

EDUCATION:

Bacharel of Science. Major in Mathematics and minor in Physics.

Anhanguera 2007-2009
